Bernie Mendez was very knowledgeable and seem to know exactly the car we wanted after asking us a few questions. He took the time to answer all of our questions and made us feel very comfortable. He was very courteous and professional. He took the time to explain all the car features and told us how to locate information about our E300 in case we forgot how the features worked. We are amazed at what E300 can do.

I visited Mercedes Benz Laguna Niguel to look into purchasing a vehicle primarily due to great reviews I had read about the dealership. I'm glad I made the drive. I purchased a new Mercedes Benz, and couldn't be happier with the whole experience. Carson Helton assisted me through the entire process of learning about the models, options, new vs. used cars and ultimately, once I made the decision to buy a car, through the purchase process. I wouldn't hesitate to recommend this dealership and particularly Mr. Helton.

I have been leasing Mercedes for about 15 years, I have never had such a wonderful experience as I did this time with a female salesperson. Joey Stokes is amazing! She was caring about me getting the best deal for me and not just trying to get a sale. I enjoyed her and would recommend her to everyone who is getting a car from Mercedes-Benz of Laguna Niguel, I wish I had her for the past 15 years! Thank you so much Joey!. Best, Cheryl Ritts
